What We Do

RedOrange Hospitality Management Consultants which comes under the aegis of Al.Khaleej Group Of Companies have time and again proved her mettle to cater with aplomb to the hospitality needs of her Clients whose esteemed requirements are as varied as fingerprints and set benchmarks in the respective services

This is possible only by laterally integrating our various sister companies to work in synergy under the Hospitality Management Umbrella to provide our Client with a one-stop-for-all-needs environment and hence creating a clarity in all aspects of manpower management as well as their hospitality management

What We Provide

- Recruitment Services – Shortlisting and vetting, Offshore and Local Recruitment Drives
- Travel Services – Booking Tickets and arranging travel facility for recruited manpower
- Procedural Services – Visa Formalities, Medical Formalities
- Training Services – HSE, FACPR, Scaffolding & Heights, Fire Fighting etc
- Camping Services – Apartment Accommodation, Site Camp setup
- Catering Services – Industrial, Camp, Community, Business and Social
- Life Support Services – Customized Furniture, Laundry Services, Gym Equipment
- Maintenance Services – HVAC, Kitchen Equipment, Gym Equipment
- Transportation Services – Camp to Site

- Recruitment, Travel and Procedural Services

RedOrange Hospitality Management Consultants works along its sister company UNGTC to conduct recruitment drives both locally as well as internationally and vet possible candidates for the final recruitment drive. This is facilitated by associating with government approved recruiters internationally. Once the offshore recruitment drive is complete, then our Travel division takes over for their flight travel formalities and on arrival to Kuwait, our representatives will work closely with our Client for various governmental procedures to be completed.

- Training Services

Our Training Division takes over to train the recruited candidates as per the contract requirements in the HSE compliance criteria during the gestation period of visa formalities. We also undertake independent HSE Training Exercises for our Clients.

- Camping Services

We scour and secure feasible location for camp accommodation in apartments or setup onsite accommodation facilities including pre-fab structures, HVAC, Customized low cost furniture, plumbing and electrical, separate wash, bath and toilet room facility, CCTV Cameras etc.

- Catering Services

Based out of our main central Kitchen in Qurain or our independent Kitchens across Ardiya, Salmiya and Hawally, we can offer varied services as per our client need which include Industrial Catering, Camp Catering, Party Orders with entire event management services included, outdoor catering or social get-togethers. Blending our team's vast experience with superior technology in production, we are able to create gourmet experience that is guaranteed to impress any palate. All our Kitchens are HACCP controlled with strict compliance policy and zero tolerance to adulteration or lack of Hygiene.

- Life Support and Maintenance Services

All habitation require apt life support and maintenance services. Our technical wing is industry preferred for customized furniture, laundry services, gym equipment supply and its maintenance, HVAC fit outs and its maintenance, Kitchen Equipment supply and maintenance, waste management services etc.

- Transportation Services

Our fleet of short and long bodied buses ensure that your employees are transported back and forth from their habitats to site and vice versa.
